WEBPAGE: THERMOWOODEXPORT.EU

At ThermoWoodExport.eu we specialize in providing premium thermowood products for construction, facades, terraces, and interiors. Our thermo-treated wood is durable, stable, and environmentally friendly – the perfect solution for modern building projects.

We combine advanced production technology with reliable logistics to deliver ThermoWood across Europe at the best prices on the market. Trusted by builders, architects, and distributors, we are your reliable partner in sustainable wood solutions.

 Ethics, quality, punctuality, and trust – these are the values that guide every order we fulfill.

Ready to Start Working With Us?

Getting our full ThermoWood catalog with prices is simple. Choose the most convenient way for you:

-  Call us at +371 22326551 to request catalog with prices.
-  Send us an email at info@thermowoodexport.eu with your details (name, company name, phone number, and destination country).
-  Fill out the contact form on our website to receive your personalized offer.

We'll get back to you as soon as possible and help you choose the best ThermoWood solution for your project.

To initiate the production process, a down payment of 50% of the total order value is required. This ensures material reservation and guarantees a smooth start of production.
